

## ANNUAL REPORT 2023-24

In compliance with the CBSE's requirements for updating academic records, we have prepared the Annual Report. This comprehensive document highlights our school's achievements in several key areas over the past year:

**1. Academic Achievements:** The School has come up with flying colours with outstanding CBSE X & XII Board Results, Session 2022 - 23. There is 100% pass percentage in both the classes with highest percentage 94.6 in Std. XII scored By Niyati Bansal of commerce stream and 95.6 in Std. X scored by Jessica Dayaramani. In science stream highest percentage is 88.8 scored by Pragya Sharma. In Std XII,16 & Std.X, 13 students scored more than 90 %. 99/100 marks in Business studies and Accountancy were scored by Niyati Bansal & Nandini Sharma of Std. XII respectively. Riddhima Meharchandani of Std. X scored 100 marks in science subject.

**2. Environmental Initiatives:** Efforts to raise environmental awareness have been a key focus through various activities with students learning practical skills to contribute to sustainability. Students are taught in their activity periods how to create bags from eco-friendly materials such as paper, cloth, and jute. Additionally, educators emphasize the importance of the "reduce, reuse, and recycle" principles to further instill the value of environmental conservation.

**3. Education Enhancements:** To enhance the educational experience and align it with contemporary adult cognitive processes, the institution has upgraded its facilities by installing 30 advanced smart panels in classrooms. Additionally, the A.I lab has been set up & the computer lab has been revitalized with cutting-edge computers.

**4. Sports Achievements:** The sports curriculum of school offers a diverse range of classes ensuring every student has the opportunity to excel in athletics. These classes not only enhance physical abilities but also instill teamwork and sportsmanship among our students. We also have NCC in school.

**5. Innovation:** Under the guidance of science teachers, students have brought forward various technological ideas / innovations. Out of all the innovative ideas, the idea of Rhythm Asnani of Std. VIII on Child Safety gadget was selected for Inspire Awards Manak at the district level

**6. Overall Results:** Overall academic result was 100% in all the classes in the session 2023-24

### **7. PTA Activities:**

- a) Parents were informed about the following points on 4<sup>th</sup> November, 2023.

- i. **Enhancing English Speaking Environment:** Parents were notified about the school's efforts in fostering an English-speaking environment within the school premises. They were encouraged to extend support by motivating their children to practice and engage in English communication at home.
- ii. **Upgraded Computer Labs:** The school has made significant enhancements in the computer facilities. The Senior lab has been equipped with 20 new desktop computers installed with the latest software. Furthermore, the junior IT lab has been upgraded with three new computers, enhancing the technological resources available to students.
- iii. **Olympiad Exam Preparation:** Students from standard 1 to 12 who registered in the 2023 Olympiad exams have received practice books to aid in their preparation for the upcoming competition.
- iv. **Atal Tinkering Lab Initiative:** The work of the Atal Tinkering Lab aiming to foster creativity and problem-solving skills among students, providing a platform for practical learning experiences has been initiated.
